

Data collected in interview with Assistant Chief of Police Mark Muir on Friday Oct 5<sup>th</sup>, 2007:

Data readily accessible for Jan 1 -> Aug 31 2007:

- 108 adult misdemeanor mj citations/arrests
- 8 adult felony mj citations/arrests

95/116 were incidental to other crimes  
21/116 were mj alone

98 men  
18 women

Approximate stats:

The 'vast majority' of offenders were white males under 30.

~40,000 citations/arrests issued this year, so mj constitutes less than 1%.

Rough estimate of time spent per mj issue: 2 hours

This includes:

- identifying the individual
- testing material at the scene or in the lab
- citation paperwork
- travel to and from
- filling out evidence form
- filling out arrest report
- report review
- processing/storing evidence

Estimated average wage of city staff involved with processing an adult marijuana crime: \$20-25
